Odin's space odyssey

... Suspense filled the air as principal W. Terry Pearson speedily made his way through a colorful array of princesses in his search for the 1977-'78 Homecoming Queen.

... Pleased, Samo students and alumni proudly cheered as the crown was placed on the brow of an unsuspecting Louise Chou.

... Spirits were high, which was not an unusual sight, as students took time to enjoy the special activities set aside for homecoming.

... The fun began as students were treated to the sounds of two excellent bands on Monday and Wednesday of homecoming week, while Tuesday created a chance for the students to test their agility against the clock in the Junior Class obstacle course during lunch.

... Thursday found the quad transformed into a menagerie of terrific booths that had been erected for fun and profit.

... But the real fun began after school, as students went to work on the float of their choice. And work they did! Many spent the entire night preparing their floats for the next day's judging. And the next morning the Pep Club ran away with the coveted, "Sweepstakes Award."

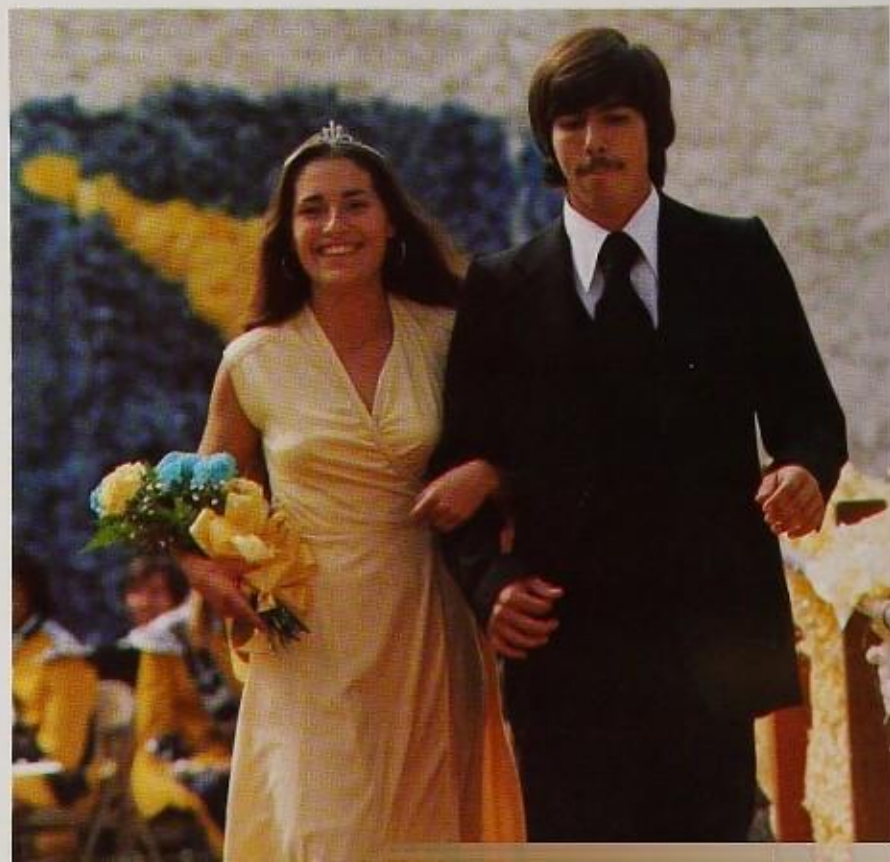

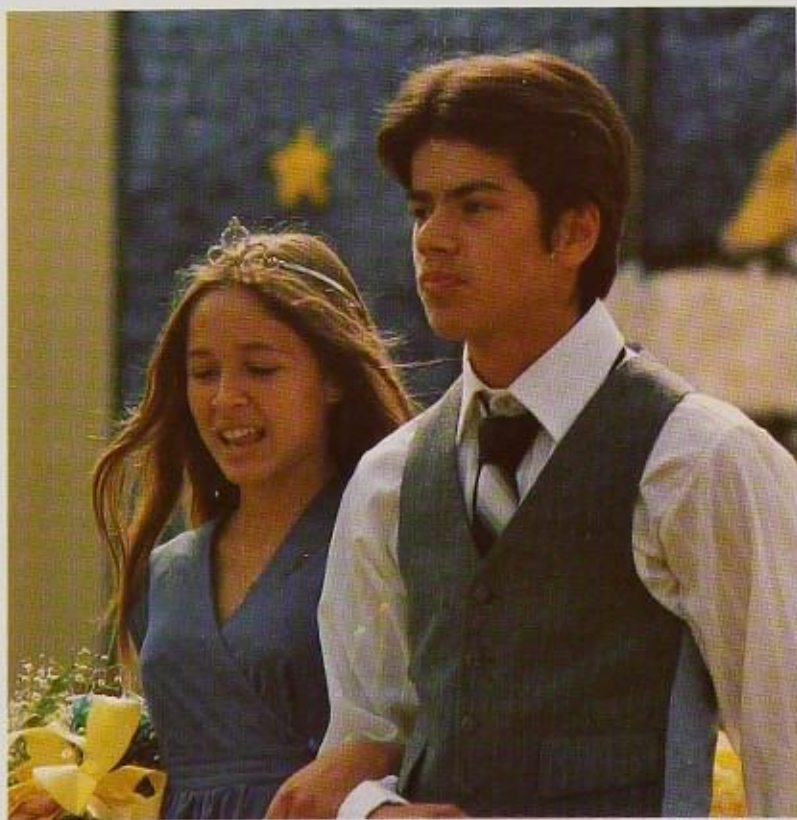

... After a parade through Santa Monica, Viking fans gathered at Corsair field to enjoy a very special Homecoming half-time, as the Vikings went on to conquer the West Torrance Warriors with a score of 22-14.

... Later it was on to the Girls' Gym to 'boogie 'til midnight' to the rhythm of "Chain Reaction."

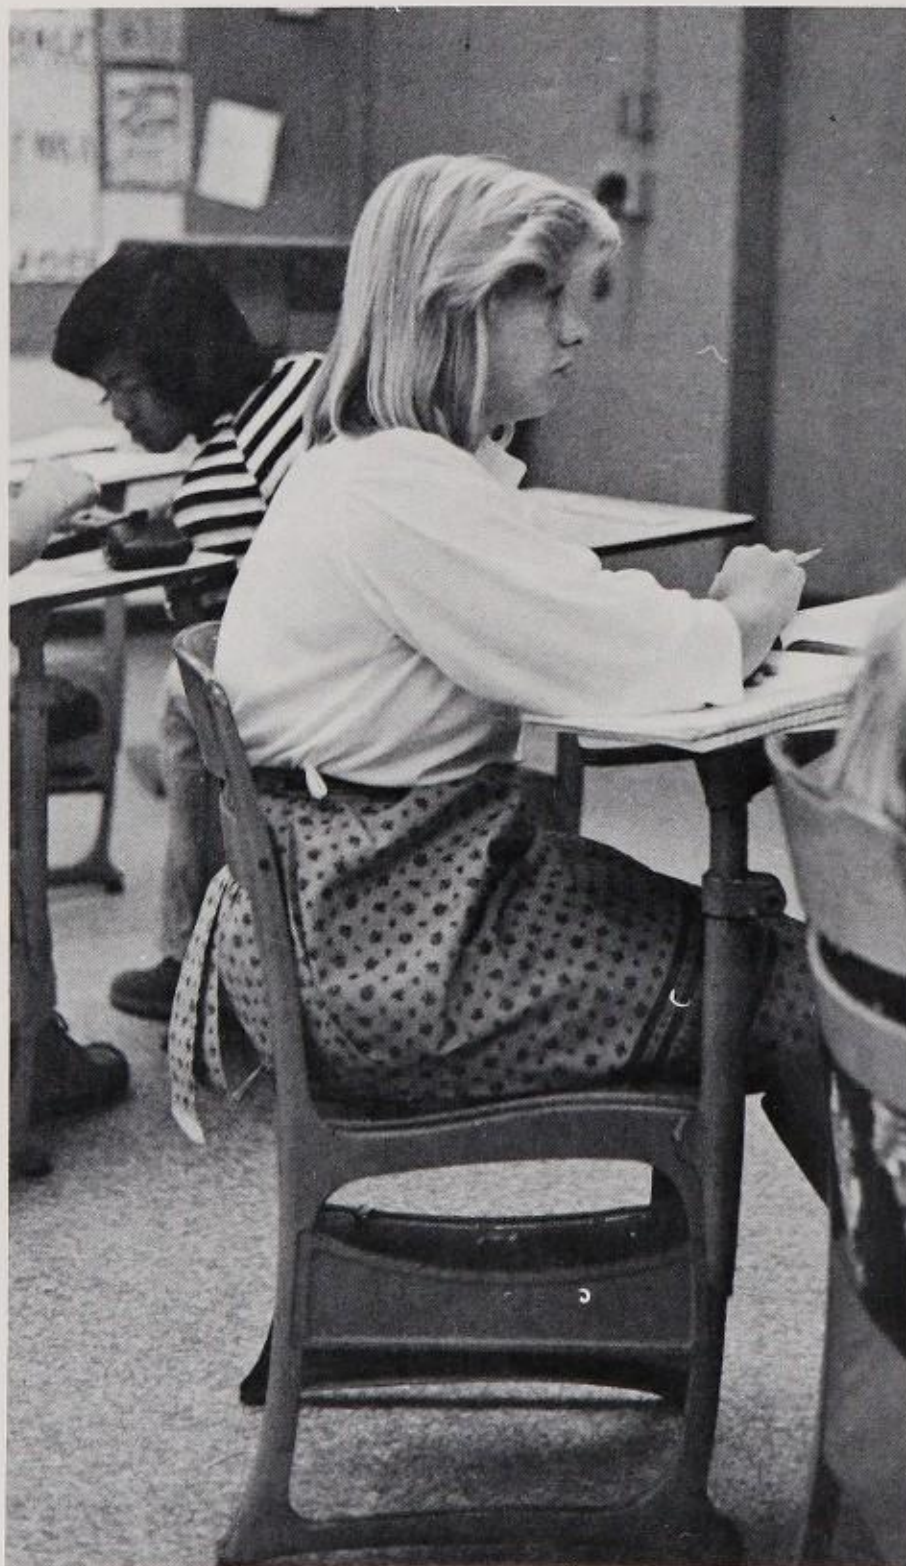

... Samohi had found its spirit - to keep, making Homecoming '77-'78 especially successful for all!

ACTIVITIES . . .

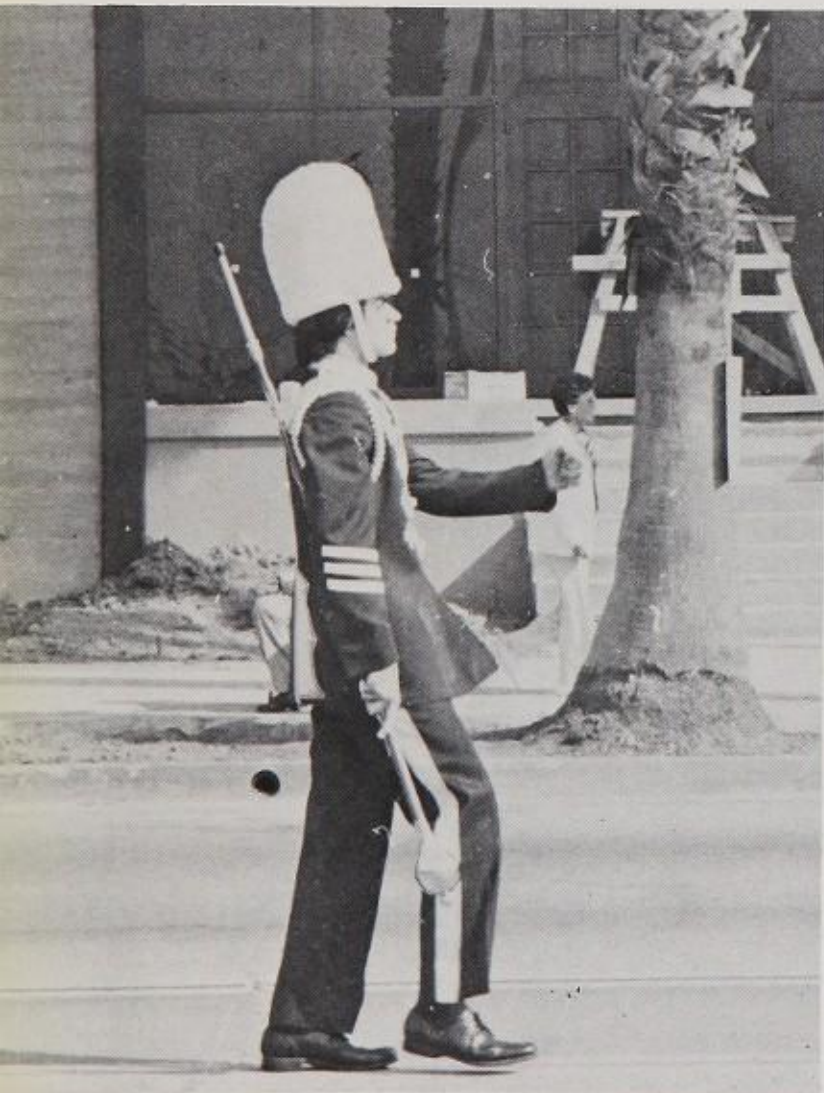

BAND

The Viking Band made SAMO rock and clap to the popular sounds of this year. From Boogie Fever to Jaws on the football field or in the Greek Theater the band played at their best. The band showed perfect foot work as they marched on to SMC's football field; with Randy Dunbar, drum major, leading, not an inch out of line, into their formations. Under the direction of the new band director, Jim Hile, the band kept up it's award-winning reputation and style.

The Sergeantettes danced smart, snappy routines for Homecoming.

'77-'78 CAPTAINS

1977-78 Captains - Margaret Haygood, Rhonda Flenoy, Sherri Elwell, and Anna Marie Munoz.

Despite her crutches, Anna Marie works on routines.

Rhonda and Margaret show how it's done.

Sherri wants YOU to join the fun.

The Captains were involved in all of the pep rallies.

Drill Members-(Front to back, left to right)-Kathy Finegan, Mary Ann Hernandez, Kelly O'Brian, Lynn Roach, Annie Cook, Sheila Sherrard, Annette Fournier, Diane Atkinson, Stephanie Cole, Lisa Perez, Judy Carrillo, Delia Gomez, Georgia Nichols, Gabby Kinslow, Sharon Greedus, Sandy Hamamoto, Donna Tyser, Tanya Reins, Tracy Williams, Nancy Barocha, Suzie Jex, Wendy Coulson, Sharon Hamilton, Laura Blair.

Sergeantette Officers: Joni Giberson, Vickey Smith, Kelly O'Brien, Donna Tyser, and Irene Burger.

Sergeanettes

"Shake Your Bootie" was the Sergeantette theme under the command of the Captains. They carried it throughout the whole year. They performed to the song "Shake Your Bootie" and many other arrangements. They became famous for the popular hit musical Chorus Line. With the help from the business managers, the Drill Team successfully performed in many half times, pep rallies and other Sergeantette activities.

Tall Flags

This is the year for another Sergeantette first. Just three years ago the Samohi Tall Flags went as a seperate group, now the Sergeantettes have started another group, the Tall Flag Unit. They are under the direction of Tall Flag Lieutenants Vickey Smith, Natalie Ventre, Karen Chambers and Tori Kunzler. The Tall Flag Unit consisted of Francis Bell, Michelle Burger, Maude Campbell, Randy Corlin, Lisa Datin, Tayreze Gibson, Cheryl Grandioetti, Angela Green, Chris Hanes, Carrie Heckler, Margie Irwin, Lisa MacLaughlin, Suzi Mason, Stephanie Strawbinger, Tracy Tayler, and Marla White. Those 16 girls appeared at football games and many other Sergeantette activities.

'77-'78 Tall Flags - Karen Chambers, Natalie Ventre, Vickey Smith. Not pictured is Tori Kunzler.

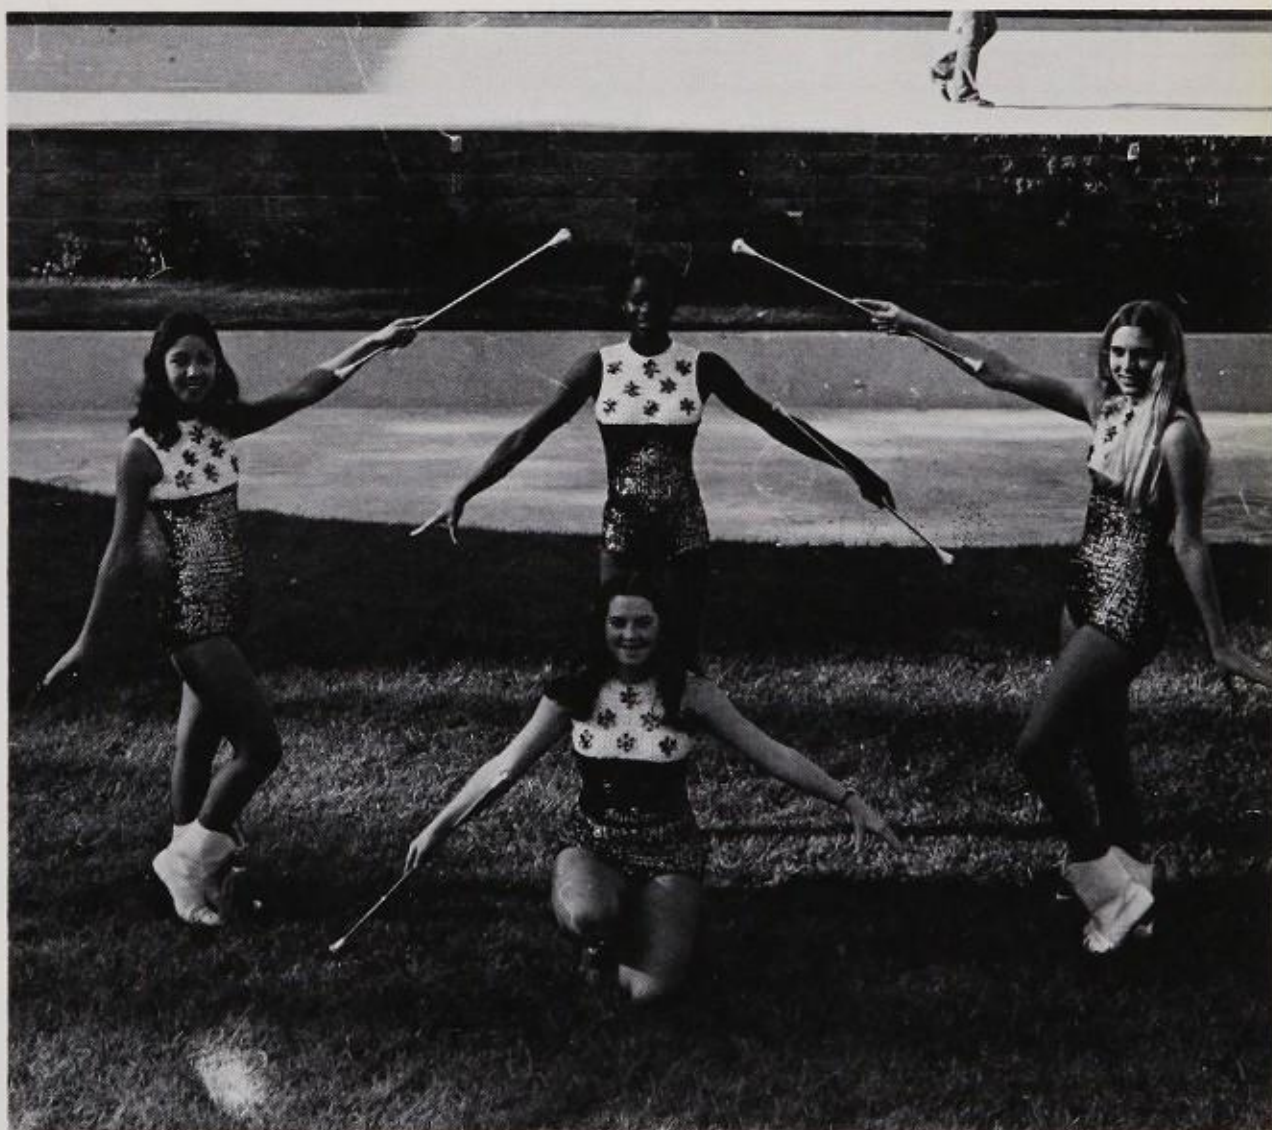

MAJORETTES

Majorettes:

From Boogie Fever to Jaws, the Samohi Majorettes twirled their batons to just about anything. You watched glowing lights when they performed on the football field and you boogied with them in pep rallies. In every competition they entered they placed high.

'77-'78 Majorettes - left, Anna Ortiz; top center, Lori Buckman; bottom center, Janet Briggs; right, Jody Norris.

SONGS

Who are Carmel, Chocolate, Tweety, Casper, BooBoo, & Pooh Bear? That's right! They're the '77/78 Songleaders. They really got the crowds going with their high kicks and cheerful, bouncy routines. They added a little more flash at various games with their newly styled uniforms, flashy pon poms and bright stools.

'77-'78 Songs - First Row, l. to r.: Cindy Mrock, Susie Bailey, Jacqui Dickens. Second Row, l. to r.: Barbara Hodgins, Nancy Jex, Sandra Reid.

FLAGS

The Samohi Flag Twirlers, whirled those clothed batons weekly, entertaining numerous crowds. They did beautiful tosses and made graceful formations that left the audience clapping and cheering. They kept the flags' long time reputation up by being not only fun and a little crazy but also good as a group.

'77-'78 Flags - top to bottom: Irene Burger, Joni Giberson, Gail Taylor, Jackie Buckley, Suzanne Erringer, Dawn Snider.

VICTOR & VICKI

Victor and Vicki Viking carried on the traditional way of cheering at pep rallies and football games. Laura Reed and Ricky Ramos were selected for Victor and Vicki after being interviewed by several administrators. Unfortunately, Ricky Ramos resigned in the middle of football season, for personal reasons. But that didn't stop the enthusiasm of Samohi. A.S.B. officers, Damon Moore, Brian Cowell, Gus Singas, and Mickey Rasgon rotated each week as Victor Viking to assist Vicki in keeping our spirit sky high. Each Victor Viking was very unique and original in peping the crowd up, each with his individual touches. Teaming with Vicki they all were masterminds at making that crowd ROAR!!

'77-'78 J.V. Yell - 1st row; Diane Castro, Helen Herron, Doris Kaichi; 2nd row; Kathy Blizzard, Colleen Pearson, Vicki Denello.

J.V. YELL

Let Me See Your Super Split . . .

The 1977/78 Junior Varsity Cheerleaders were well known for their outstanding super splits. The J.V.'s cheered at the J.V. and Sophomore basketball and football games. The J.V.'s were also known for their super spirit and big smiles at all of the pep rallies, not to mention their cute little performances as the Winnie the Pooh characters during the Homecoming skit. The J.V.'s attended camp with the Varsity Yell where they picked up superior ribbons.

TOO HOT TO HANDLE . . .

The 1977/78 Varsity Yell Leaders led the vivacious crowds into high spirits this year with Pier Moore leading the way. They really caught the crowds eye with their flashy white uniforms and that great cheer "Hey we are bad . . ." The Varsity Yell, attended camp this year at Pepperdine University where they received superior ribbons, and the "Spirit Stick" for two nights in a row.

'77-'78 Varsity Yell - 1st row: Sandra Swami, Tamar Garland; 2nd row: Cari Caetano, Mary Lou Arnett, Lisa Thiel; 3rd row: Elaine White, Susi Rodriguez, Pier Moore.

JUNIOR CLASS BOARD

This year the Junior Class was active in participation at Samohi. First Semester President Tom Erspamer organized the construction of the Junior Class' Homecoming float, "Odin's Space Capsule". The float, a combined effort of roughly 200 students, was good enough to take the "Theme" award at the Homecoming assembly.

The second semester was predominantly used to raise funds for the class. Spring semester President Geoff Tompkins organized a successful pizza night at Shakey's that was both fun for the students who attended and profitable for the Junior Class. Plans were also made the second semester to try to start Homecoming float building during the summer in order to make the class of 1979's senior float the best ever.

President Geoff Tompkins said, "I think if we got organized earlier this year, and got our plans laid out quickly, we would have had plenty of time to build a float that would be remembered for a long time."

SAMOHI NEWSPAPER STAFF

After moving into their new Journalism Room in the middle of the first semester a new aura of supremacy overtook the SAMOHI staff.

Besides battling to meet weekly deadlines, the staff traveled to Torrance for a journalism convention, and participated in numerous others.

Sharon O'Neill led the Samohi staff, demanding their best and fighting to the end to get it.

In between flag twirling and other assorted activities Irene Burger came in to handle the news.

In contrast to Irene's occasional appearance, Bob Downs practically lived in the room. Besides managing the editorial page, Bob placed first in Editorial Writing in regional competition.

Don Jacobs never stopped trying to amuse the staff. Whether it be in the class or at print shop, Don's mouth never stopped. Always trying to find the pun in life, Don edited the feature page.

The sports editor at the beginning of the year was baseball bat swinging Matthew Ross, who turned over his duties at the semester to Richard Wagner. "Wags" seemed quiet until you got to know him and then he turned out to be really quiet.

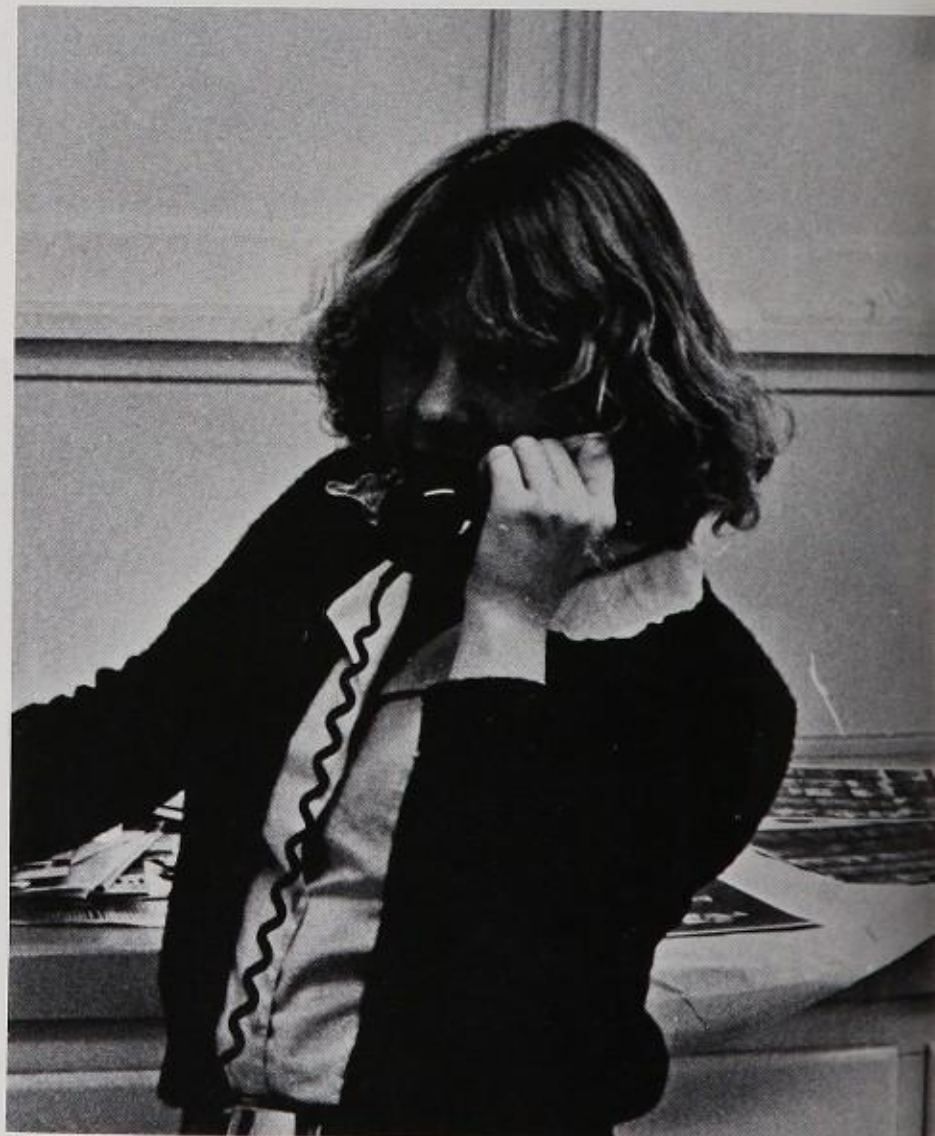

Drew Digby consistently came to the rescue of the editors with his inexhaustable camera and darkroom.

The rest of the staff was a varied assortment of hard working people who always tried their hardest, and more often than not came through.

Adviser Bob Cox, who narrowly escaped numerous nervous breakdowns, helped guide the Samohi through a very productive year.

Drew Digby as he looks to rest of staff.

Editor O'Neill spent hours daily in communication with printer Hugh Moody.

Anne Hansen admires her co-workers' efforts on the Samohi.

Denise Moss, one of the top writers, seldom fiddled around.

Vicki Corcoran and Jenny Phelan enjoy sorting pictures for the class pages.

NAUTILUS

The Nautilus staff, working under adverse conditions, completed their year-long project in April with a long sigh of relief. Randy Ponce, Pui Ko, and Dana Hutchings all attended the SCSA Workshop in San Diego last summer and brought back new and exciting ideas to make page layouts brighter and attractive. Section editors Tamar Garland, Jacqui Dickens, Julie Neville, Lesley Ash, Vickey Smith and Steve Kafka put in long, hard hours and photographers Drew Digby, Nick Scoales, and Don Archibald provided the pictures that tell the story of this year at Samohi.

Tamar Garland and Peggy Kelley studied many pictures in order to come up with the right one for each page.

Being an adviser is not the easiest job in the world.

These two pages are dedicated to languages other than English. This is displayed by five of the clubs interested in a foreign language, or activities of international origin. The first is Club Hispanico consisting primarily of students with Hispanic backgrounds and who are Spanish-speaking. President Rosa Delgadillo hoped the group would be able to sponsor a car wash in order to raise money for scholarships. The German Club and Latin Honor Society are also two clubs that are interested in a foreign language as something more than an academic class. Le Cercle Francais as a group went to see a French play titled *Le Malade Imaginaire*. In the International Club there are students of many backgrounds that share their individual cultures. This group sponsored an International Dinner.

They (Mecha) are interested in unity and new ideas as a goal for this years group. Throughout the year they made field trips to several schools such as U.C. Santa Barbara and U.S.C. to observe and talk with members of other Mecha organizations. Through these trips they not only gained new friends but also many new ideas. Model Aviation is one of the very creative clubs at Samohi. CRUD, a very different and original club, has activities consisting of dance concerts, listening to classical music, "Samurai" Tea Ceremony and the annual CRUD concert (designed to create disturbance).

Pep Club is a group of very enthusiastic students that keep the audiences loud and cheering at various sports events and also participate in making a homecoming float. The Black Students Union, more commonly known as B.S.U., has met weekly for the past 8 months organizing several activities. For the Black History Week celebration, they sponsored several activities throughout the entire week. Commemorating the very special days, a live band, D.J. (discjockey), "soul" food lunches and fashion show were some of the events.

PEP CLUB (alphabetical order) - Alison Arnold, Paul Bahn, Merry Brownfield, Ken Flanders (president), Tina Franco, Annette Herbst, Jim Hum, Ida Ipjian, Bill Katz (v.p.), Lisa Key, Laurie Lapidus, Lynn Masuda, Lisa McCutcheon, Teresa Peterson, Caroline Ponton (sec), Richard Ramos (treasurer), Brian Yori.

DELIANS

The Delians, a club of Santa Monica High School, consisting of, approximately 300 students is only a portion of the National Scholastic Federation of which Delians are affiliated with. To qualify for membership you must have a high grade point average. The Delians participate in four major fund raising drives, tutoring services, seal-bearer banquet and off-campus field trip. They are an extremely active group but seem to know how to mix business with pleasure.

SAMO'S ATHLETES

Samohi's Athletic Department has a reputation as one of the finest in CIF, and this year's field of teams was no exception.

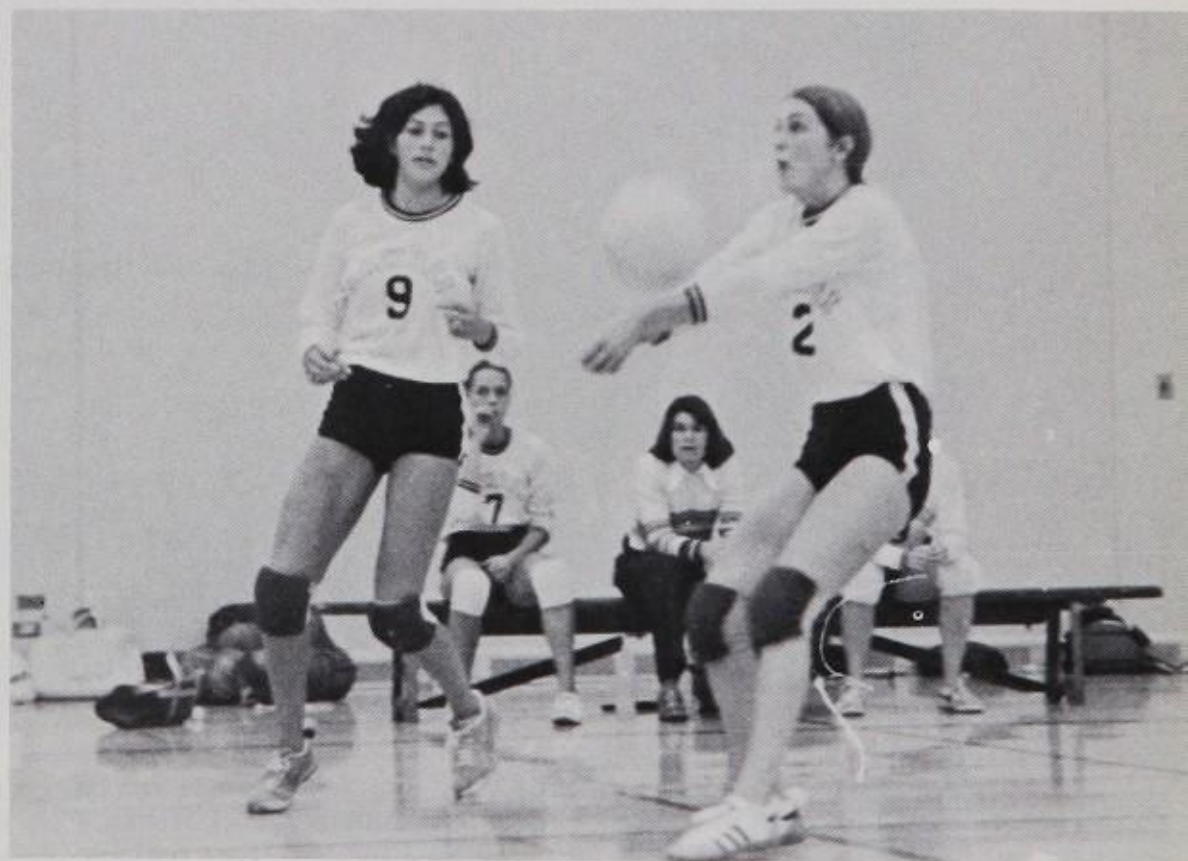

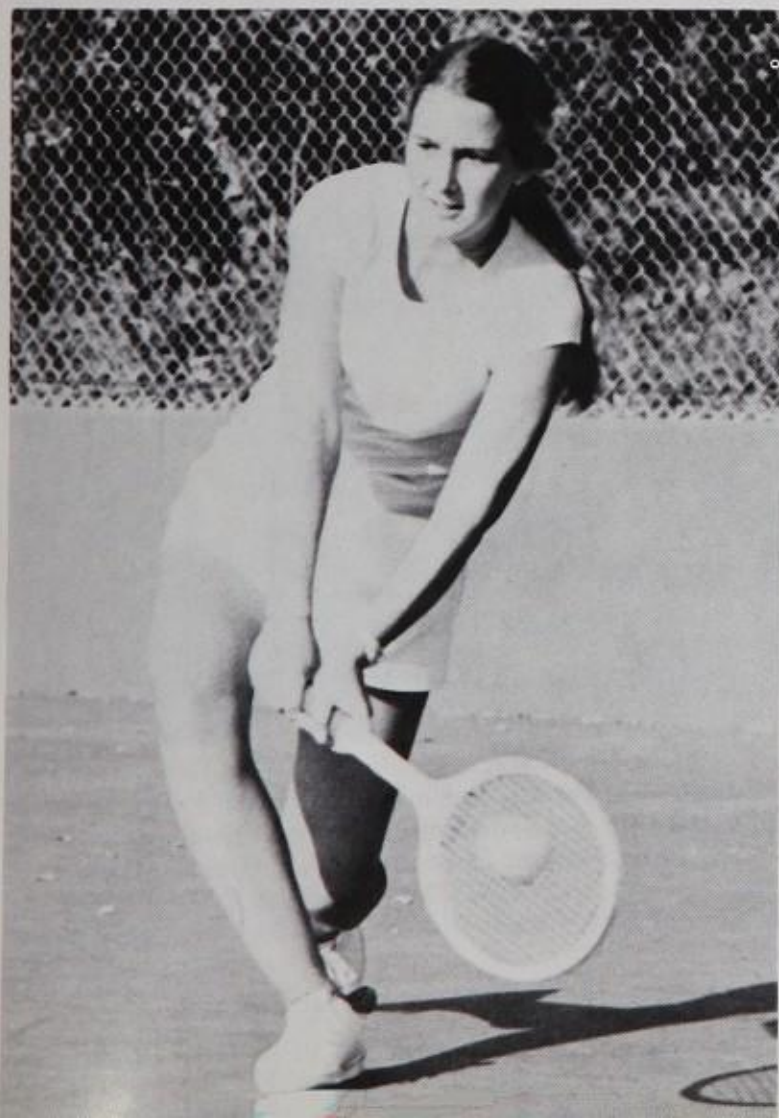

Starting off with football, Samohi went undefeated until the final game of the season, and that was a first round playoff loss to Long Beach Poly.

Then the soccer team finished third in the toughest league of 4-A CIF soccer. The two teams that finished ahead of them played each other in the 4-A finals.

For the first time in six years the Varsity Boys' Basketball team made it to the 3-A CIF playoffs. Samohi went to Troy High School in Fullerton, to gain the 32nd spot in the playoffs, which they did, scoring a 64-57 victory. Then in their second playoff game Samohi had to play the number one seeded team in the tournament, Downey High, and lost in a close battle 76-69.

When the end of the baseball season comes around, this year's team expects to be right in the thick of the playoffs. As catcher John Vasak commented, "We are the team to beat for the title."

As for Girls' Swimming, Track, Golf, and Boys' Tennis, their respective coaches feel they will be well represented in CIF competition.

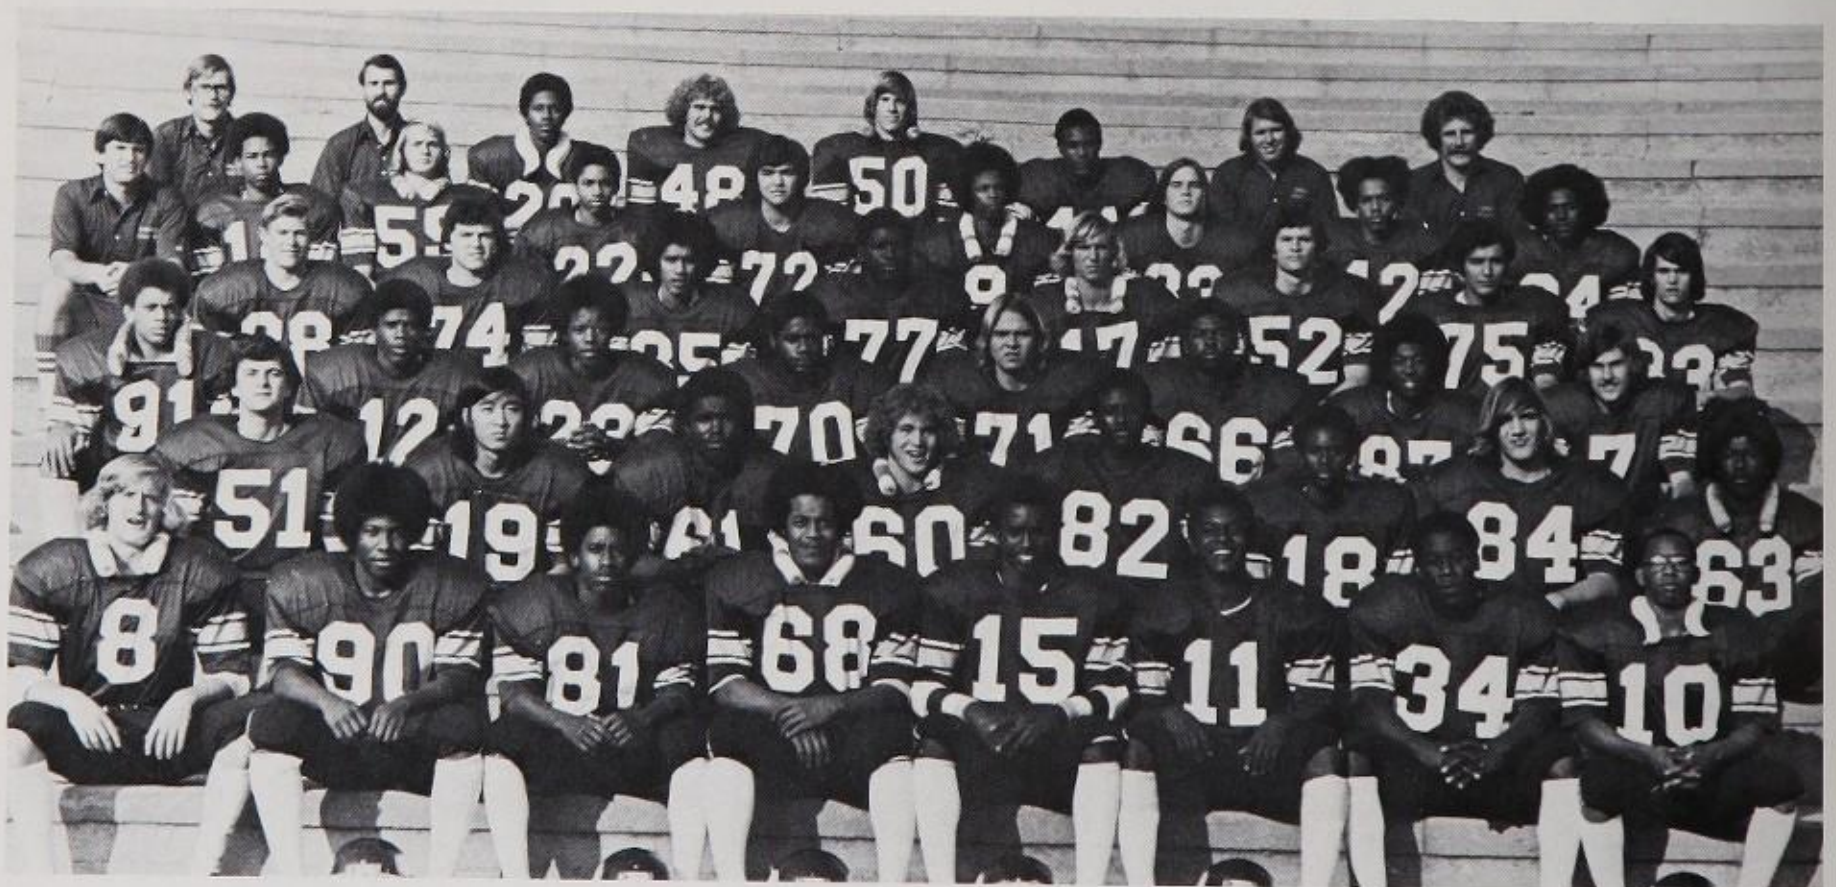

Quarterback Kevin Reynolds (11), attempts pass, while Derrick Singelton looks on.

Split End Ricky Williams gets caught in the middle of North Torrance defenders.

Before the start of the 1977 football season, people thought the gridders lost a lot when their two All-CIF players graduated the year before. New Head Coach Mike Griswold thought this year's team might be even better than the 10-2 team of last year.

So starting off the season, Samo played perennial powerhouse Loyola High School and promptly took the game to them with a 22-19 victory. Samo promptly reeled off eight more victories in a row including a 22-14 victory over arch rival West Torrance. Three year starting quarterback Kevin Reynolds passed for 200 yards and sophomore tailback sensation Derrick Singelton gain 149 yards on the ground.

Finishing league play with a 9-0 record and a first place finish in the Coastal Conference, Samo was matched up against Long

Beach Poly (4-5) in the first round of CIF playoffs. Well, Long Beach Poly's bigger defense stopped Samo's running game, holding Derrick Singleton to just twelve yards rushing, and Samo lost 13-6.

Samo placed seven players on the All-Bay League first team and six on the All-West-Side first team ... Kevin Reynolds was picked as the Bay League Offensive Player of the Year, and was joined on the Bay League Team with Rob Rowbotham, Hugo Barjollo, Namon Thompson, Mike Hewitt, Scott Carni and Chris Kolojieski. The All-West-Side Team selections were the same with Kolojieski making the second team instead of the first. Also making All-West-Side second team were Ricky Williams, Jeff Gage, and Ed Bell. On the All-Bay-League second team were Ricky Williams, Derrick Singleton, Ed Bell and Tony Walczuk.

The highest honors went to Kevin Reynolds and Scott Carni who made first and second team All-CIF respectively.

Standouts on this year's squad were Paul Beasley, Tony Thomas, Winston Lowe, and Aundre Marshall.

The Girls' Varsity Tennis team had another outstanding year, although they didn't qualify for the CIF playoffs. They finished second in Bay League with a 7-3 record, and are highly rated in CIF.

The tennis team was paced by highly rated Kim Wilson and doubles partners Carol Chase and Kathy Bernard. All three will return next year.

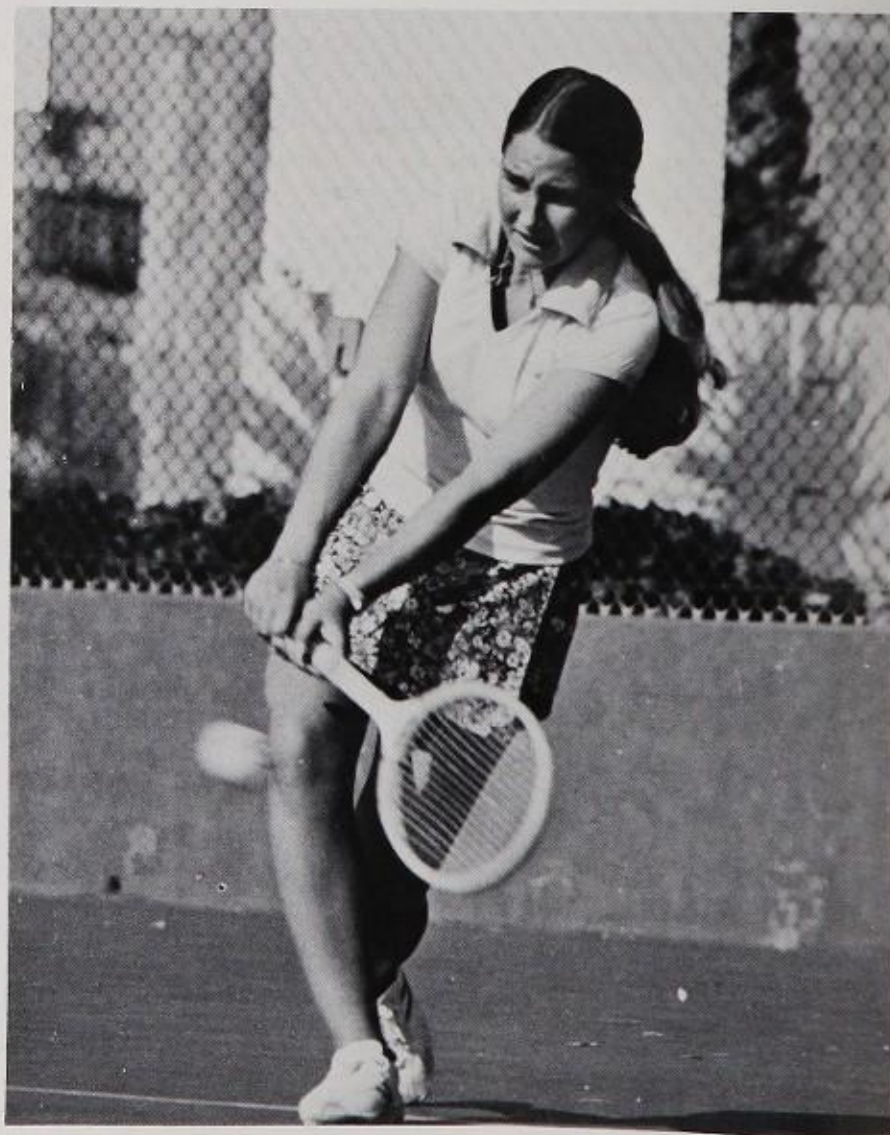

According to Coach Ardis Bonozo, "The girls worked very hard, and never let up. Every girl on the team pulled for each other and that's important."

The Varsity Cross Country squad was led to fourth place in Bay League from strong performances by junior Ray Harrington and seniors Gary Gordon and Frank Carone. The Vikes finished the dual meet season with a 2-3 record.

Samo started its season with two wins against North and South Torrance. With the loss of Marc Beck, one of their top runners, they did not fare well in their next three meets. The Vikes finished the season taking fourth in the league, just two points behind second place.

Coach Paul Kerry stated, "It was basically a rebuilding year with fine performances from all the team members."

Under the direction of Coach Paul Kerry, the Junior Varsity Cross Country squad took fourth place in Bay League.

Beating North Torrance as well as South Torrance, they finished their season with a 2-3 record.

This year the junior varsity squad had all new members, who, through dedication and strong running, did well in all their meets. The top runner was senior Gus Singas.

SOPH.

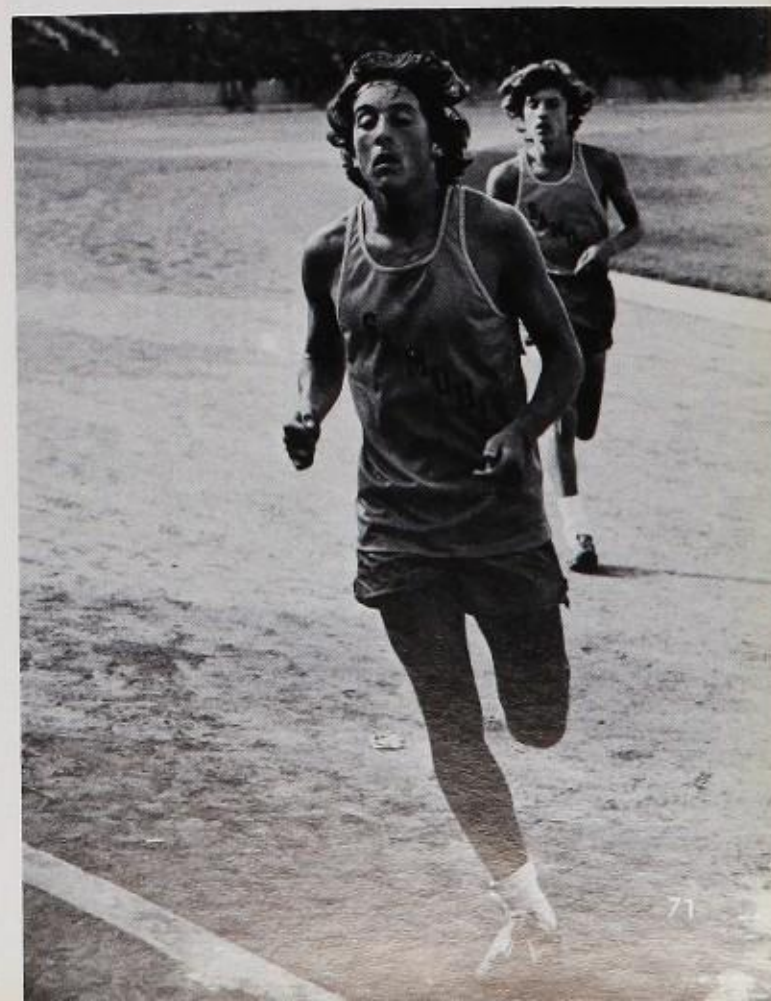

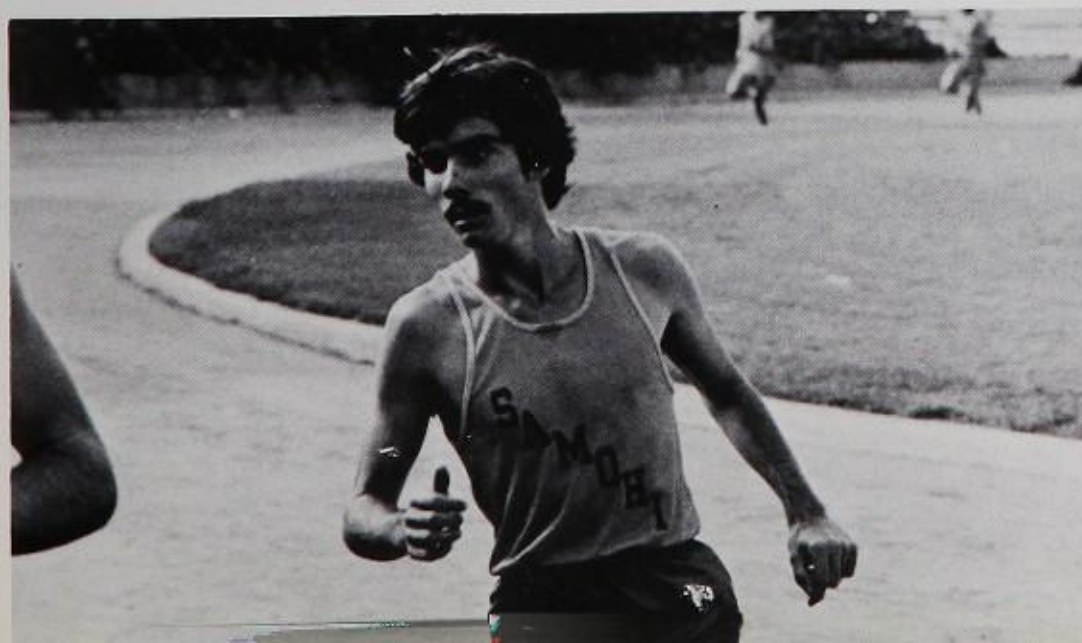

Placing fifth in Bay league, the Sophomore Cross Country squad ended its season holding a 1-4 record. After facing North Torrance in their first meet, the season was a good learning experience for the whole squad and the chance for some strong runners for next year's varsity and junior varsity squads. Head Coach Paul Kerry stated, "Ricardo Rodriguez was our top runner."

Varsity Water Polo had high hopes entering the 1978 league play, but that was soon shot down. The Vikes finished with an 6-16 record. But the Varisty team is young, consisting of 5 juniors and 5 seniors. Coach Frank Brooks pointed out that each player worked hard and showed their willingness to work and learn. This year was a year of learning. The Vikes will have a strong team returning and it should be a very good '79 team. Coach Frank Brooks said, "We lost a lot of close games which could have really changed our record drastically". Key players were Mark Beede, Curt Arnett and Todd Sherman.

Both the J.V. and the Sophomore water polo teams had a rough go of it this year, both finishing with dismal records. The Sophs finished with an 8-10 record, while the J.V. could only muster a 4-8 record.

Soph Coach Robert Coulter was disappointed with their record, because of their potential to be a very good team. "Each one of the players worked hard to improve their game," commented Coulter.

The Junior Varsity team was led by stand-out Brad Wheeler and Greg Provenzano. Coach Tom Follette said, "Each player always gave 110 percent, and you can't ask for more than that." Although the Vike's record was poor, they still worked hard and never gave up.

AND MAKE PLAYOFFS.

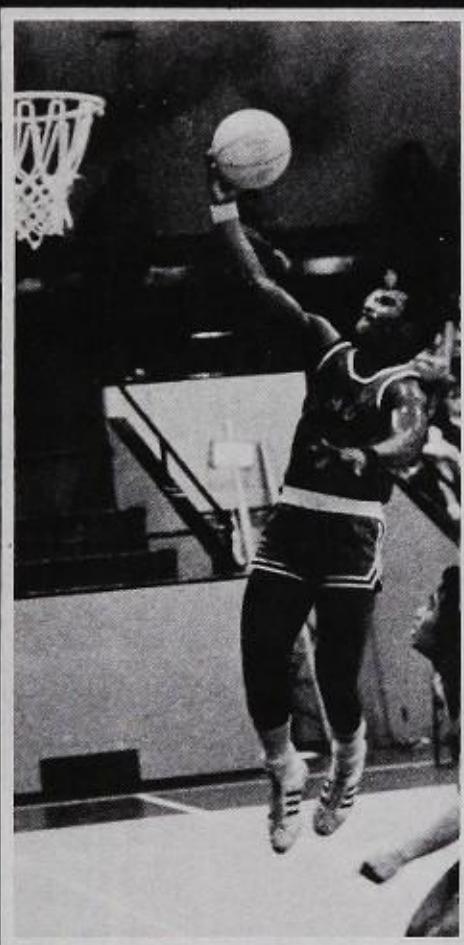

Samohi's Varsity Basketball team had its most successful season in over 10 years, ending the season with a 14-11 record overall and 9-5 in league. The Vikes captured 3rd place in Ocean League, led by All-West Side guard Jim Hoover, who averaged 11.6 points and 4 assists per game.

Coach Gary Luttel was pleased with their overall performance and hard work. "I feel this was the most talented team I've ever coached in my career," he said. With the bench consisting of such superstars as Johnny Beard, Steve Kafka, Eric Wilson and Robert Hoskins, the Vikes headed into every game with an advantage.

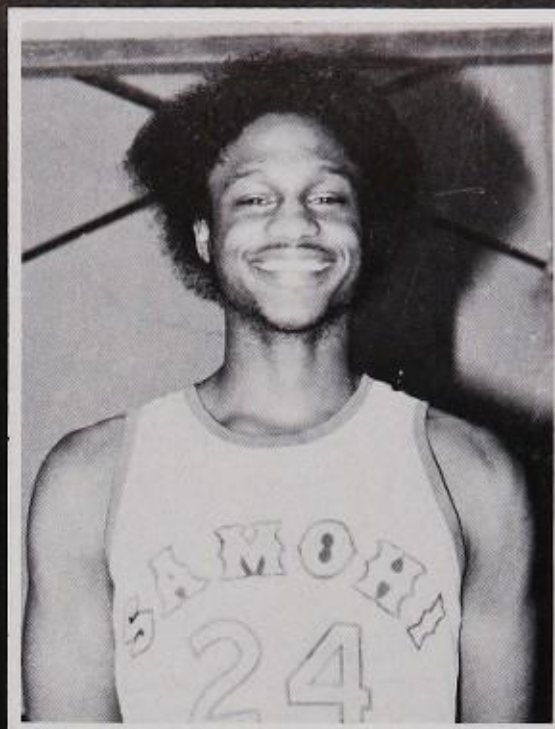

For the first time in over six years, the Vikes qualified for the CIF 3-A playoffs. The Vikes were paired up against a tough Troy High School team, in the first round of the playoffs. The game was tight going into the second half but the Vikes gradually pulled away for a 64-57 victory. The Vikes' second round game wasn't so easy, as they fell to top seeded Downey, but not before the Vikes almost pulled a minor upset. Hats off to this year's varsity basketball team which finally won more games than it lost.

LEMPERT LEADS J.V.'s

The Junior Varsity squad compiled the best record in the basketball program, 12-2 in league play and 15-4 overall. The 12-2 record in league was good enough for second and only one game out of first. After a slow start, the Vikes took three straight to capture the Bellflower Tournament.

Again the key to this year's team was the superb defense which held their opponents to just under 45 points per game.

Coach Tim Travers had this comment to offer, "Every player on the team contributed at some point in the season and I feel that's the important thing." Standouts included Dedrick Wilson, Bob Jennings, Tony Hamilton, and Frank Lempert.

Girls Softball

The Girls' Softball team is lead by hard fielding Lisa Rossi and batting specialist Julie Corlin. The Vikes look strong and are hopeful of a successful season. Coach Marilyn Caruthers was confident of a good season. "All the girls have worked hard and they deserve to be winners."

If all goes well, Samohi could create another dynasty. The girls are so confident, rumor has it they are going to challenge the boys' varsity baseball team to a softball encounter of a fifth kind.

This year's varsity baseball team is comprised of five returning lettermen, which includes Scott Nolind, Lee Wenzel, Ray Cooper, Kevin Reynolds and John Vasak. All are starters from last year's team.

The Vikes got off to a quick start by taking their first two games in the El Segundo Tournament. They then lost to a tough Mexican National team.

Lee Wenzel, Scott Nolind, Russ Timms and Sam Frydenlund make up the pitching staff for the Vikes. There is only one junior on the varsity team, Tony Walczuk, who is the starting shortstop. The only soph on the team is the swift centerfielder, Derek Singleton.

The key to the Vike's success will depend on the play of John Vasak, who has the potential to become one of Samohi's best players ever.

The Junior Varsity fielded a well-coached team under the direction of Coach Don Sealy. The Vikings had a well balanced attack of speed and power and they had high expectations for the '78 year.

The Vikings opened up the season by defeating Hawthorne, but then they were defeated narrowly by Kennedy, the Vikings then came back to defeat Torrance and improve their record to 2-1.

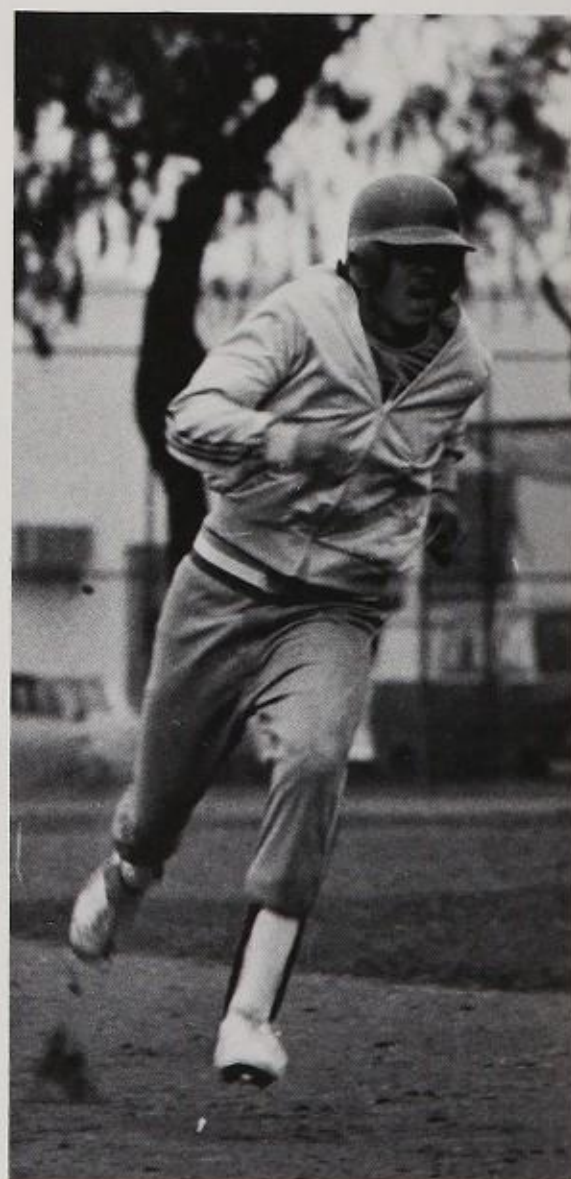

The Vikes went into the tough Bay League promising to challenge for the top spot.

The Sano sophomores looked very tough in their first three games, winning two out of their first three and producing 25 runs in the process. Coach Chuck Ice said, "We are going to produce a lot of runs, so our defense is going to determine whether we win or lose."

The Vikes are led by pitcher Alfredo Saenz and outfielder Matt Bentzen. "We will have to see if the rain is going to hurt us, since we didn't get to practice very much because of everything being so wet," commented Coach Ice.

"Our success will be determined by how well our team can work together and how well our defense holds up," he added.

ARNETT LEADS GIRLS SWIMMING

Starting off the season, the girls' swim team lost their first four meets but Coach Rodionoff refused to worry about it, as she felt this year's team had an abundance of talent and depth, "One surprise this year is a real strong diving squad, led by Junior Jane Grafton," added Coach Rodionoff.

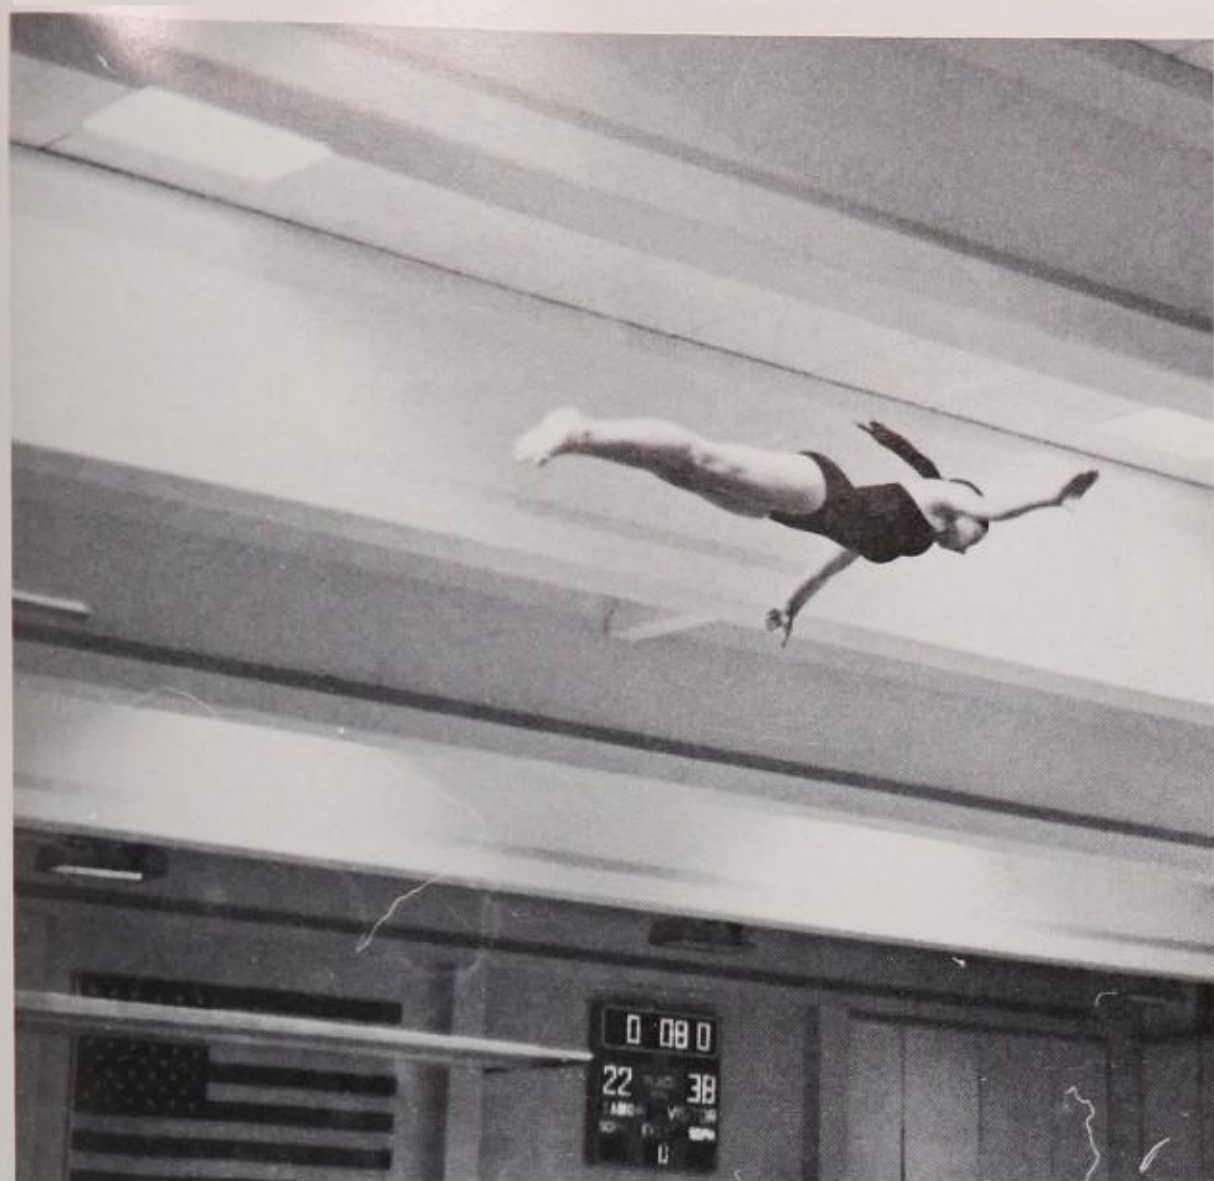

Top breastroker Mary Lou Arnett had this viewpoint to offer, "It has been real frustrat-

ing so far, as we know we can beat the heck out of a lot of teams. I wouldn't be surprised if, by the end of the season, our team doesn't shatter some school records."

Leading the varsity this year were Mary Lou in the 100 Yard Breaststroke and the medley relay team, Lucy Smedley and Maurene Smith in the Freestyle, and Brook Buckley and Laura Knight.

This year's J.V.'s are expected to be just as strong as the varsity with Kerry Katter, Renee Darling and Anne Brown being the top prospective swimmers.

SWIMMERS FINISH THIRD

Boys Swimming

The Boys swim team had an excellent year finishing third in Bay league competition. The team was led by seniors Klaus Campbell and Steve Cook and juniors Glen Schlackman and Mark Beede. Coach Brooks was happy with this team's success and hard work. "We had much fun this season but also put in many hours of hard practice." The Vikes had one of their best performances in the Beverly Hills tourney, where they placed third.

GOLFERS UP TO PAR

This year Samohi's golf team played to its limits. With the addition of a mid-year transfer from Lincoln, Mark Den Decker, the varsity ladder was well filled out.

Greg Armstrong climbed to the top of the ladder early as Jimmy Detrixhe, expected to be at the top all along, got off to a slow start.

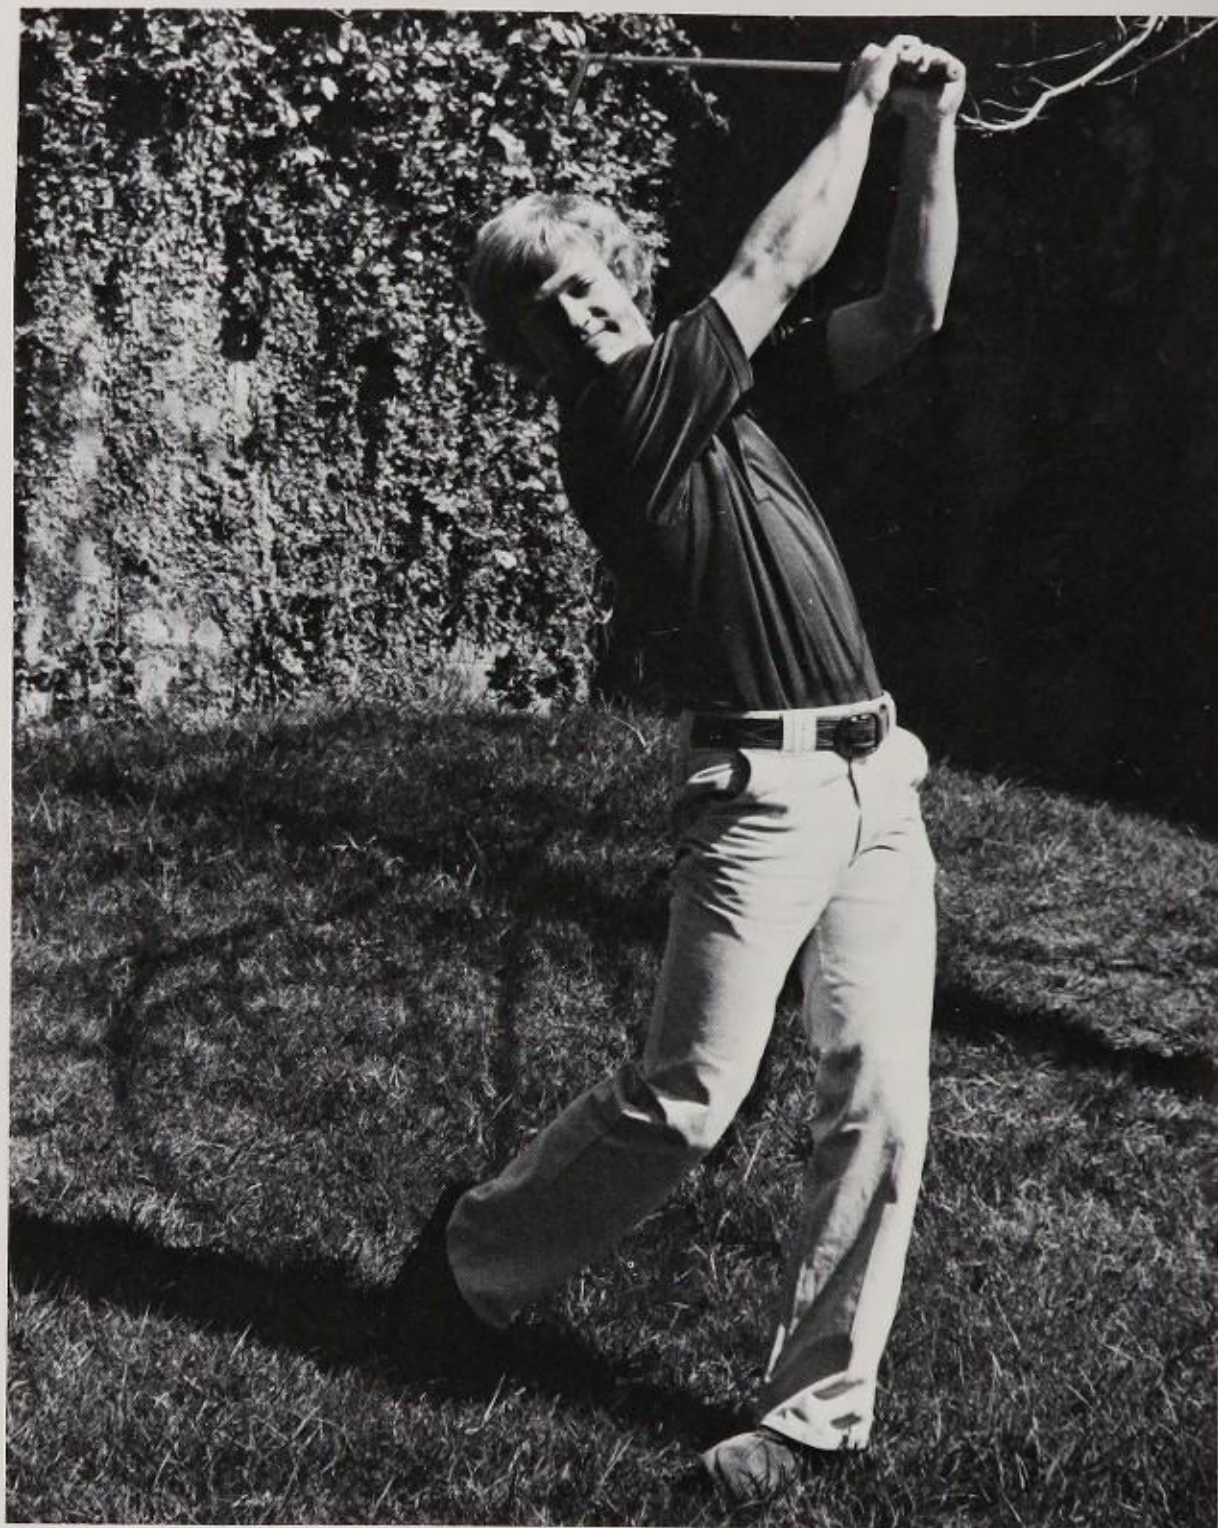

Detrixhe's lull was short enough though. Four weeks into the season he fired an even par 36 (he shot 38 in the next match with his first drive O.B.) to pull out of his slump.

Coach Irv Kasten commented at a team meeting that he felt this year's team was the only one in Samo's league in CIF that had improved over the past year.

"Our team is stronger this year and I think we can make it to the league playoffs," Kasten was correct; the golf team did make it to the playoffs and did very well.

The season was lengthened as a result of rematches played at the end of the season. The rematches were precipitated by rainouts at the beginning of the season.

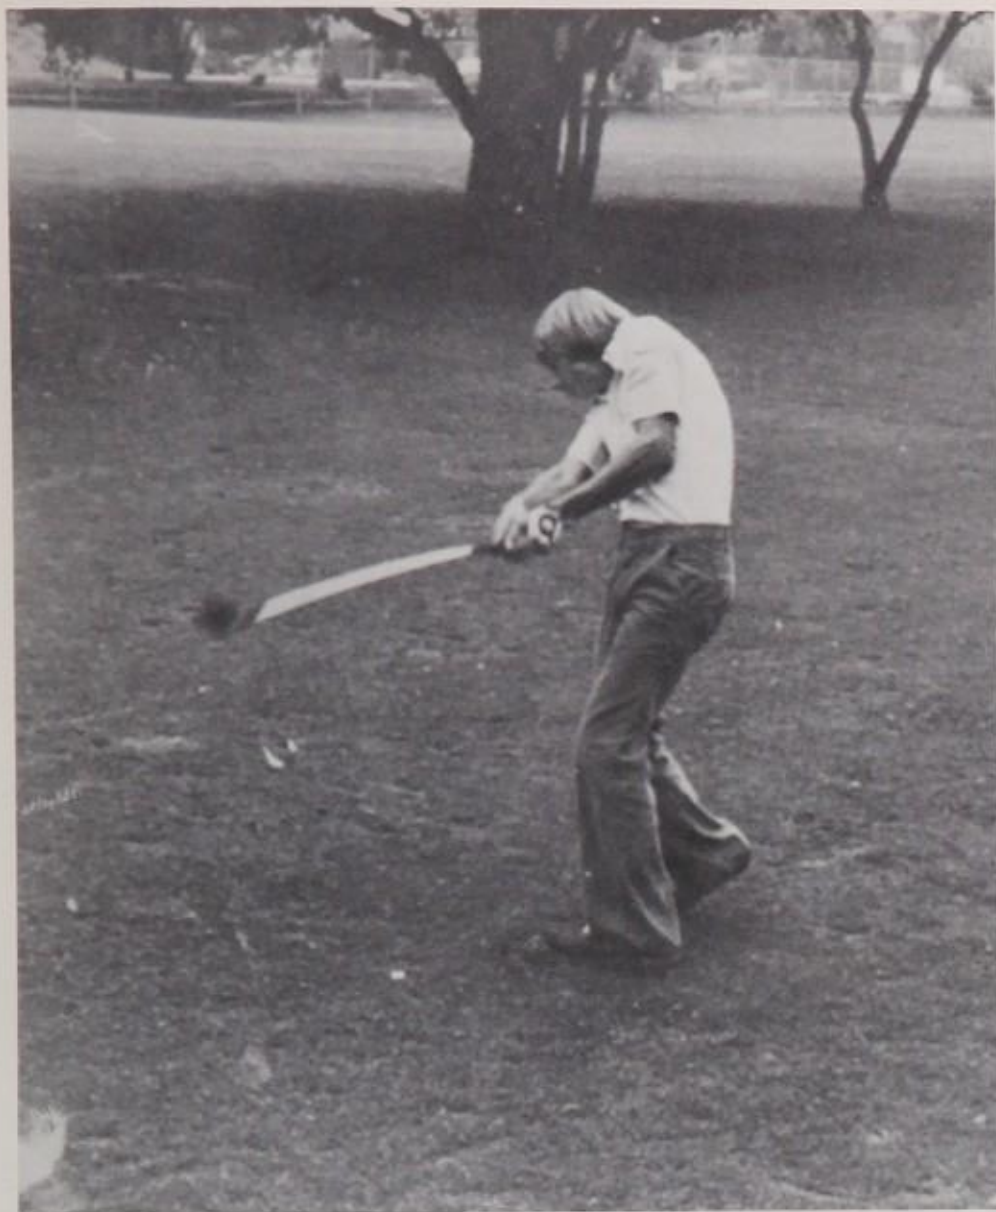

It is unsure what is in store for Samohi's varsity next year. With Armstrong, Detrixhe, and Frank Weatherwax graduating, the varsity loses three of its top men, but the team should be in good shape with Den Decker and Jeff Wells, this year's top varsity underclassman. No matter how good next year's team is, this year's will be tough to beat.

SPIKERS HAVE POTENTIAL

Varsity Volleyball

Although the Vikes have started out slow, losing two of their first three games, Coach Berkeley Blatz is confident the Vikes will be tough to beat once they put it together.

The Vikes are led by returning letterman Chris Schaefer, Reed Schenk, Jeff Stowers, Brad Hammer and super-setter John Gutierrez. All had outstanding years in 1977, and should lead the Vikes to the CIF playoffs.

Coach Berkley Blatz added, "we have the potential to have an outstanding year, and win our league."

This year's varsity tennis team is based on a team attitude. As Coach Lee Finch said, "Our team success has come about by the effort of the individuals coming together as a team." Coach Finch sees the possibility of this year's team being one of the best in Samo history, as the players are really working hard, and they all support each other at the matches.

Number one singles player Bill Moss added "This year's tennis team is more exciting and fun than years before." Key players for the varsity are Bill Moss, Gerry White, Gardner Graver, Steve Steere, Steve Gerstenfeld, Tim Otterman, Bruce Bates, Bob Dawson, Frank Langden, Eric Thomas.

The J.V. also is playing well as a team, and leading them are Adam Hall, Bob Williams, Mike Sidley, Jeff Styrt, Brad Wendland, Alex Cruz-Salvadores, and Alan Jayne.

The Samohi Track team has its work cut out for it this year, with the loss of Dennis Smith and Tim Chambers, both of whom won consistently for the Vikes last year.

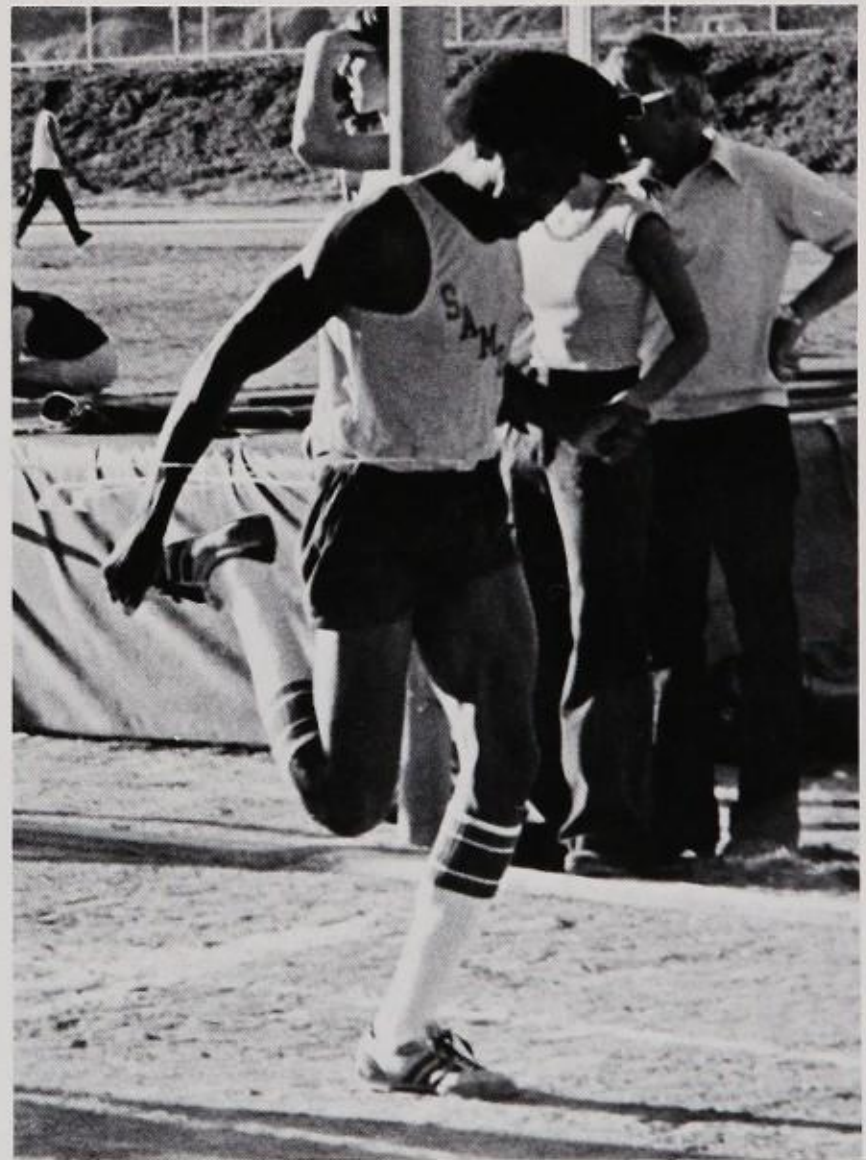

Coach Don Murphy was positive this year's team won't win meets with just a few individual efforts. The whole team will have to contribute.

The Vikes will again be tough in the long distant heats, led by Junior Ray Harrington and soph Bill Horst. Filling in for Dennis Smith will be high flying Tony Hamilton who is consistently jumping over six feet. The Vikes will again be strong in the sprints, led by Jeff Mays and Gary Hall. Rodney Timberlake should hold his own in the triple jump and long jump.

"I'm sure when the season ends we will be one of the top teams in Southern California", added coach Murphy.

Rodney Timberlake takes off on long jump.

Sophomore Gary Hall breaks the tape, as he wins his heat.

FACULTY

PHYSICAL

"Tennis anyone? Or would you prefer wrestling?" Whatever your taste requires you will most likely find your NICHE in one of the P.E. classes offered.

Maybe you'd like to firm up your body a little or learn the basics of dance, or maybe you'd like to learn how to mingle with the "creatures of the deep" via scuba? - Well at Samo you can!

With the excellent coaching staff available here at Samohi, there's no telling how far you could go! "Touch-down!"

LANGUAGE

...Language - there's so much you need to learn just so you'll be able to tell a person, "I like you.", and really understand what you're doing. Samo's language dept. has the knowledge to teach you just that.

...When language teachers were asked what one thing they would like to change most at Samohi, Mrs. Escalante said she wished more students, "...would not cheat on tests.", while Joy Koufopoulos answered, "the RED TAPE", making it easier on everyone.

SOCIAL

...It seems as if it never stops! But every year there's always some type of social studies required.

...And, though many dread the thought of taking things like history or government, they later discover, thanks to a terrific S.S. staff, that those classes can be FUN!

...When we asked Tim Travers, 'what he liked most about Samohi' and he said, "The students vibrancy and humanity are most refreshing, and I've developed many pleasurable friendships as a result."

SCIENCE

... Thanks to these people-it's working!

... When entering the science building, make sure your stomach is going to be able to withstand the UNEXPECTED- because that's just what you're likely to find! Yes through every door lies a new experience waiting just for you.

... In one door you find a student busily dissecting a baby pig in physiology, while finding an up-coming your scientist searching for a sure cure for acne in the next room ... unfortunately, he's used just a bit too much sulfuric acid leaving his first "guinea-pig" worse off than he was to begin with!

... Yes, there are many 'wonderful' and 'exciting' experiences to be extended to you by a competent, (not to mention, 'always looking for a better way to do things') Science staff!

ENGLISH

Did you ever stop to think what it is you like most about Samohi? Well, we decided to put the English teachers on the spot, and ask them that very question. Here's what they said:

"... the friendly STUDENTS and the great staff!"

Edward Tevlin

"I love the students!!"

Barbara Rollins

"Kids who want to learn."

ENGLISH

"I" before "E" except after "C" ... and "Never end a sentence with a preposition.", are only a couple of the many rules taught to you courtesy of the English department.

Though many students tend to believe English classes could be EXPENDABLE, the realization of the number of students who, when they leave high school can't read or write makes them think again.

So the next time you decide you want to forego that extra English course, stop and think about it. Do yourself a favor and take that course!!

MATHEMATICS

...If you are studying to be an architect, or maybe a technical engineer, you'll probably want to take more than a little math. Well then, friend, you've come to the right place!

...Yes, they've got anything from liberal arts and high school math, to various levels of algebra, trigonometry, or as far as calculus.

...CHANCES are most will decide to take only what is needed for their particular major.

...But isn't it nice to know that Samo's math department is behind you if you decide to go on?

FINE ARTS

...Creative talent - have you got it? Well, if your mind stirs with ideas brought about by pure IMAGINATION, why not give the fine arts department a visit?

...They've got music, they've got jewelry, they even have Jim Hile!! ... Who could ask for more?

...There's a wide variety of classes that are offered to the eager student from the fine arts people.

...Learn to express yourself through the channels that the fine arts people can offer you.

...And remember - imagination is the key!

INDUSTRIAL ARTS

... Vocational training is always a big part of the industrial arts department, helping students train for jobs opened to the good SKILLED worker.

... Intricate knowledge of the machinery in use makes it possible to successfully carry out such jobs as auto repair, metal work, type setting, printing, etc. ... It's good hand/mind work taught by a talented staff of instructors.

DRIVERS EDUCATION/HOME ECONOMICS NURSE

... Learning to drive, for some, can be a very NERVE-WRECKING experience ... especially if you're having to learn under the hands of your parents.

... But thanks to our present day school system, you are able to learn, and learn well, exactly what and what-not to do on the streets by calm and friendly Samohi driving instructors (other than frantic and always insurance minded parents).

... If you're thinking of being a gourmet cook or even if you're just interested in learning the fundamentals of sewing or bachelor life, the home economics department is just for you!

... The eager/helpful people who make-up this department know just the right advice to give to help make you a more independent and self-sufficient person.

SPECIAL EDUCATION/CAREER SERVICES

The Special Education Department was unsurpassed in its service and aid to those students whose needs were exceptional. Special Ed. concentrated on teaching the students everyday skills such as balancing a checkbook and reading a bus schedule. Students were rewarded for their positive efforts and were placed in a job-type situation in an assembly line.

The Career Center aided students in their future aspirations. Work Experience also helped students in the job field. Time cards and applications aided the students in the realities of work and the bulletin board was always full of part-time work.

... So many good people go into the running of Samohi - and we thought you should know just who those people are!...

... People such as Denece Doan, who runs the Vike's Inn for us; Samo's ever-present rent-a-cops; the A.V. personnel who make sure that various classes get the proper equipment; a beautiful language lab assistant to help with the many tasks to be done; and probably most IMPORTANT of all are the gardeners and custodians that we depend so much on to keep Samohi looking good and running smoothly.

... "Food! ... Glorious food!! ...", may not be what is heard as hundreds of students push their way into the cafeteria, but the talents of Samo's cafeteria workers is appreciated by all! ... Ever tried running a switchboard? Well, if you have then you know just what a CHALLENGE it is. But thanks to Samo's talented/dedicated operator, all in and out going calls are run smoothly.

... Need a book? - or do you just want to return an old one? If either is the case, then you just toddle on down to the textbook office where an anxious staff will be glad to take care of you.

... When you fall down a flight of steps you, most likely, could use a trip to the nurse's office for a little PATCHING-UP.

... But if you're down in your studies, then a trip to the library - for a little helpful information, (from an equally helpful staff!), could be just the thing you need to help you catch-up.

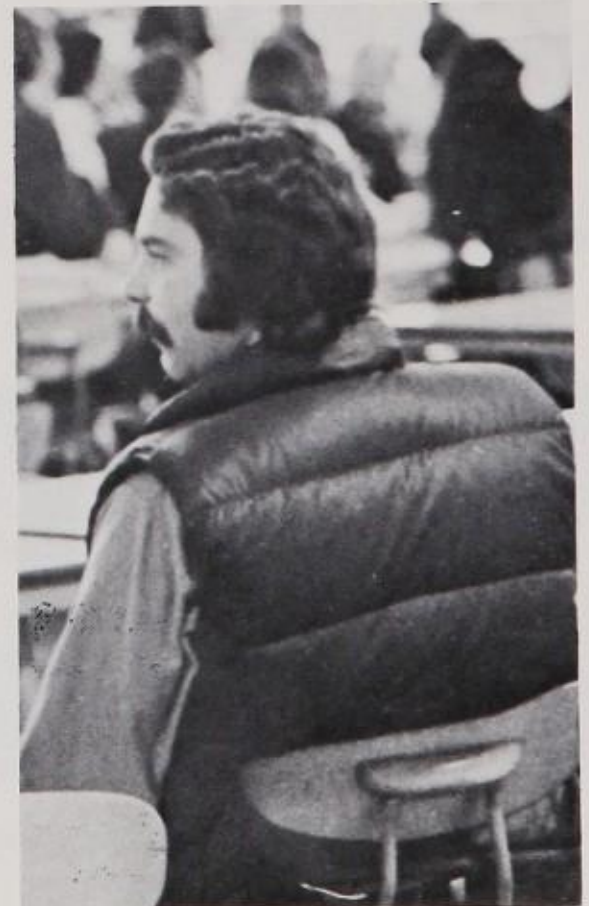

... From band-aids to books - you learn something new everyday!

Probably one of the TOUGH-EST jobs needed to be done at Samohi are the jobs taken by the hard working secretarial and attendance staff.

If it wasn't for these people, Samohi's students and staff would be in complete confusion. They keep our school going by keeping important records, constantly filling out forms, typing, zexxing, filing, and in general, working their fingers to the bone!

COUNSELORS

Before slamming a book shut or dropping out of school, many Samohi students turn to their counselor for much needed guidance.

Samo's FAITHFUL counselors help students to get started on their high school careers - making sure all the needed classes get squeezed in. And if you've got a problem that you need to talk over with someone, your counselor is always there to listen.

Whatever the situation, your counselor is more than just an employee, that person is your friend - and friends make your life just that much better!

DOM CASUAL — ADMINISTRATION

ADMINISTRATORS

Samohi has an outstanding reputation and is recognized by many as being one of the top high schools in the country. Our reputation is well deserved! It has been achieved because of the quality of our educational program and the activities and achievements of our students and staff. A significant force among our students and staff is an attitude on campus that reflects a sense of pride and a feeling of togetherness.

W. Terry Pearson, principal, is the person responsible for bringing all of these factors together into a successful program.

One of the most important positions here at Samohi is that of Vice Principal. VP of Pupil-Personnel Sandor Rosenfield heads the staff of guidance counselors at Samohi. VP Curriculum Service Beverly Waters works to meet the needs and interests of the students, and Richard Turner, VP Student Services, works closely with all of the schools' activities.

With a Dean's Office consisting of Patt Lowry, Dean Rothe, and William Kelley, Samohi saw a year with very few student problems — a rarity to say the least.

IN MEMORY OF
RANDY PONCE
Editor-in-Chief of the Samohi
'78 Nautilus

Left June 5, 1978 due to
a nervous breakdown, ulcers, and chronic migrains.

Survived by
an exhausted Nautilus staff who worked through
hard times to pull off this book-no one has earned it
more.

Special thanks to
Betty Gruber for her unselfish devotion to Samohi,
the administration for their help in communicating
(?) with the yearbook company, Mr. Purucker and
Mr. Ritterband for the use of their facilities, and
those people who with their support have been and
always will be so very important to him-G.A.P.,
M.C.M., J.R.M., AND C.L.B.

And last but most important-
Bob Cox, who was always there through thick and
thin and who went way beyond the call of duty to see
to every last detail. Bobo-we can't thank you enough!
